

## ABOUT

The UInno project aims to develop an adult training package to equip with basic skills and knowledge on innovation primarily marginalized EU citizens (including migrants and refugees) who are potential entrepreneurs and start up creators. The UInno training package will be provided in a full digital format based on eLearning pedagogies, work-based online learning, and collaboration.

## OUTPUTS

- Collection of existing models of best practices
- Digital user-centered innovation platform
- Training toolbox with online tools
- Adaptation and Policy Package

## OBJECTIVES

- Develop a culture of entrepreneurship and innovation among EU citizens
- Support inclusive training initiatives and digital inclusion for all
- Transparency and recognition of skills and qualifications
- Development of the EU as a knowledge-based society

## PARTNERS

Up-Skilling unemployed and low skilled workers in self-centered innovation approaches, to empower their self-employability potentials through start-ups and SMEs
